

Campbell River, BC

Assistant Forester Opportunities with our Integrated Resource Team

Assistant Forester:

- » Eligible or working towards a professional designation (RFT or RPF)
- » Knowledge of TFM and CENFOR forest management software applications
- » Passionate about physical work in adverse conditions and is flexible towards camp shifts
- » Familiar with field technology; iPad, Survey Wizard, GPS, etc.
- » Ability to demonstrate an understanding of silvicultural activities and solid forestland management
- » A great written and verbal communicator

As a successful applicant, you will work closely with our senior staff to exercise and develop the following skills;

- » Knowledge of forest legislation for both private and Crown land
- » Knowledge of coastal harvesting & silvicultural systems
- » Preparation of site plans and stand management prescriptions
- » Knowledge of silviculture surveys, practices and prescriptions
- » Navigation and map reading skills, GPS surveys and applications, and general computer skills
- » Experience working around trucks, ATVs, boats, float planes & helicopters

We offer opportunities for career development and diversity, with room to grow professionally in both traditional and non-traditional forest management in areas such as arboriculture, ecosystem restoration, and forest enhancement. We pride ourselves on maintaining a safe, respectful and fun work environment that promotes values such as teamwork, professional accountability, and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Positive attitude and dedication to workplace safety are critical to your role with our team.

We offer a competitive compensation package with comprehensive benefits for full-time employees, and on-the-job mentorship and formal training.

Applications will be accepted until filled until June 18th, 2018

Please apply with confidence by forwarding your resume and cover letter by e-mail (as an attachment in PDF or MS Word format with "Forestry Application" in the e-mail subject line) to employment@snrc.ca.

We would like to thank all applicants for their interest; however, only those considered for an interview will be contacted. For more information regarding this opportunity, please e-mail above address.
