

Due to continued growth Tall Timber Resources Inc. is seeking field Foresters. Are you looking to join a fun group of professionals, while working and gaining experience in your field of work?

THE COMPANY

Tall Timber Resources Inc. is a fast-growing Forestry consulting firm based out of Burnstick Lake, AB with a lot of work based out of the Whitecourt/Swan Hills area. The company has been in operation for over 5 years and continues to grow each year. We specialize in providing forestry related field services to both industry and government clients throughout Alberta. Company has recently become COR certified through AFPA in 2017. We believe in providing a safe work environment for our employees.

EMPLOYMENT OPPORTUNITY

Field Staff Position (Full Time)

We are currently looking to fill **4 field staff positions** starting immediately. Duties will consist of forest inventory work such as PSP, TSP, research projects along with various silviculture surveys, and possibly block and road layout.

As this is a field position, candidates must be physically fit, willing to work outdoors in all weather conditions within reason and travel out of town while on shift. Work will be based throughout the province of Alberta; during the summer/fall season remote camp work throughout Alberta may be required. While in field camps or on road, food / accommodations are provided by Tall Timber; camp duties will be shared.

Preference will be given to applicants with 1 or more years of experience or equivalent background, but training may be provided to the right candidate with less experience.

If you are looking for a great team atmosphere with highly skilled individuals willing to take the time to properly train than this is the team to join. Tall Timber Resources take great pride in quality work over quantity and is recognized throughout the province for it. Tall Timber takes great pride in ensuring minimum down time over the past 5 years as a result of repeat clientele.

THE IDEAL CANDIDATE HAS

- Obtained a degree or diploma in Forestry or related Natural Sciences. Or has 1+ years of field related experience
- Willing to work long shifts 12-5 (Roughly and may vary from shift to shift)
- Willing to camp in remote locations (All camping gear supplied)
- GIS/GPS experience; using Arc view, DNR Garmin, Garmins and Trimbles

- Strong field skills including ATV, snowmobile and working in remote areas in all seasons
- Current First Aid certificate
- Hold a valid Class 5 driver's license with a clean drivers abstract

Compensation will be commensurate with experience and ability.

Closing date of **April 30th, 2019**. Only those selected for an interview will be contacted.
Thank you to all applicants in advance.
