

# SEEKING EXPRESSION OF INTEREST: STUMP TO DUMP HARVESTING SERVICES

Tolko has been an integral part of BC's Southern Interior and a steady employer for the surrounding communities for over 60 years.

## **PROJECT SCOPE**

Tolko is looking for contractors interested in future or current replaceable and nonreplaceable harvesting contracts in the Southern Interior of BC. Support centers for these contracts may include Merritt, Kamloops, or Vernon. Interest or experience in tethered harvest systems would be considered an asset.

Interested parties should contact Tolko to arrange a meeting to discuss the opportunities and be prepared to provide the following background information:

- Company description and history
- Contact information
- Safety incident history
- References
