

REQUEST FOR PROPOSAL LOG HAULING SERVICES.

Tolko has been an integral part of BC's Southern Interior and a steady employer for the surrounding communities for over 60 years.

PROJECT SCOPE

Tolko is seeking to fill a three year, non-replaceable log hauling contract to support harvesting operations in the Southern Interior of BC. Trucks will be marshalled out of Vernon, BC. The ability to provide lowbed services will be considered an asset.

Interested parties should contact Tolko's Woodlands office in Lumby for more information and be prepared to provide the following background information:

- Company description and history
- Contact information
- References for whom you have conducted similar work in the past two years.

**Proposals are to be submitted by
December 1, 2017 to:**

Mark Fichtner RPF, Harvesting Superintendent
