

## **We are hiring forest professionals and technicians**

**Your goal: To work for a great employer in a great place**

**Our goal: To develop you into a highly valued member of our team**

**You are:**

- **Smart and motivated**
- **Physically fit (we avoid flat ground)**
- **Not overly troubled by adverse conditions (we do work outdoors)**
- **Someone with a solid work ethic (and a good sense of humour)**
- **Ready to live in the best place in the world (Smithers - Google it)**

**If that sounds like you, send us a resume.**

**We are Tyhee Forestry Consultants Ltd operating out of Smithers, BC.**

**What we do:**

- **All manner of land resource management, including:**
  - **Timber Development (road & block layout, timber cruising)**
  - **License management, planning and administration**
  - **Silviculture surveys**
  - **Lots of other stuff**
  - **And all the little details that go along with these things**

**What you will need for this job:**

- **A good attitude**
- **A pair of good caulk boots**
- **A can of bug spray**
- **A set of good rain gear**

**Obviously we are looking for people with credentials and relevant experience but we are going to take a close look at every application we get. (Unfortunately we can't respond to you all - only those chosen for an interview will be contacted)**

**Send a cover letter and resume to [peter@tyhee.ca](mailto:peter@tyhee.ca) with "job application" in the subject line.**
