

VKO Forestry Consulting Ltd.  
10337 83 St  
Peace River, AB  
T8S 1X9

VKO Forestry is seeking an experienced forestry Field Technician. We are a small consulting company based out of the Peace River area. Duties would include cut-block layout, PSP and TSP plots, Regeneration surveys, Timber Scaling and other field work.

Qualifications:

- Physically fit
- Able to work in extreme weather conditions
- Able to work alone
- RPF or RPFT or qualified to get these designations.
- Class 5 drivers license
- Experience on ATV's and snowmobiles
- Experience using Trimble based gps equipment and software
- Experience in Arcmap and other GIS mapping programs.
- ATV, First Aid, WHMIS training is required but can be provided to the right candidate.
- Alberta Timber Scaling Permit if possible, but training can be provided.

Please send resumes to Vernon Oelke (RPFT) at [voelke@telus.net](mailto:voelke@telus.net) or call 780 618-4888.
