THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time field staff to meet our client's goals.

Location –Central Vancouver Island

Positions - Contract Supervisors, Senior Engineers, Assistant Engineers

Career opportunities for individuals looking to expand on their professional development with exposure to diverse and complex forestry operations throughout Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions.

Contract Supervisors:

Primary responsibilities include Client liaison, project management, daily supervision of crews, developing specific goals and plans to prioritize, organize, and accomplish your work to meet the needs of multiple clients. Quality Control of road and cut block layout, cutting permit appraisal data preparation, road designs, bridge design, construction and maintenance supervision, deactivation plan preparation and contract supervision. Additional duties include crew supervision/training and safety program implementation. Minimum of 6 years at a senior level of coastal experience (gained in last 8 years).

Senior Engineers:

Post-secondary education, 3-5 years' experience (gained in last 5 years), as a crew supervisor. Coastal experience in road layout and design, harvest planning for ground-based, cable and helicopter systems, timber quality assessment, crew supervision, coordinating professional assessments and completing associated documents and mapping.

Assistant Engineers:

Post-secondary education, 1 year coastal engineering experience, knowledge of forest engineering and timber development, including harvest planning and deflection line analysis.

We offer a competitive wage with a comprehensive benefit package. If you are looking for a change or ready to take on a new rewarding challenge and be part of a growing team of likeminded co-workers, please reply in confidence by forwarding your resume and cover letter with references to: wctc@cablerocket.com Attn: George Nohr. Past applicants are encouraged to re-submit their resumes.

We thank you for your interest in working with us, however only shortlist applicants will be contacted.
