THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time field staff to meet our client's goals.

Location –Nanoose Bay, Courtenay, Campbell River

Positions - QC Field Engineer (1), Senior Engineer (2), Assistant Engineer (2)

Career opportunities for individuals looking to expand on their professional development. Exposure to diverse and complex forestry operations throughout Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions.

Primary responsibilities include:

QC Field Engineer: Nanoose Bay (1)

Client liaison developing specific goals and plans to prioritize, organize, and accomplish your work to meet client's yearly deliverables.

Quality Control of road and cut block layout, cutting permit appraisal data preparation, road designs, bridge design, construction and maintenance supervision, deactivation plan preparation and contract supervision. Additional duties include crew supervision/training and safety program implementation. Minimum of 6 years at a senior level of coastal experience (gained in last 8 years). Valid BC driver's license and 1st Aid.

Senior Engineers: Courtenay (1), Campbell River (1)

Post-secondary education, 3-5 years' experience (gained in last 5 years), as a crew supervisor. Coastal experience in road layout and design, harvest planning for ground-based, cable and helicopter systems, timber quality assessment, crew supervision, coordinating professional assessments and completing associated documents and mapping. Valid BC driver's license and 1st Aid.

Assistant Engineers: Courtenay (1), Campbell River (1)

Post-secondary education, 1 year coastal engineering experience, knowledge of forest engineering and timber development, including harvest planning and deflection line analysis. Valid BC driver's license and 1st Aid.

We offer a competitive wage with a comprehensive benefit package including company vehicle and other bonus incentives. If you are ready to take the next step in advancing your career, please reply in confidence by forwarding your resume and cover letter to: wctc@cablerocket.com , attention Andy Flynn. Past applicants are encouraged to re-submit their resumes. Only shortlist applicants will be contacted.
