THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time field staff to meet our client's goals.

Location – Gold River/Campbell River

Positions – Waste and Residue Surveyor (1)

Career opportunities for individuals looking to expand on their professional development. Exposure to diverse and complex forestry operations throughout Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions.

Primary responsibilities include:

Client liaison developing specific goals and plans to prioritize, organize, and accomplish your work to meet client's yearly deliverables.

Waste and Residue Surveyor: Gold River/Campbell River (1)

- Post-secondary Forestry education,
- 1 year coastal experience in all aspects of Residue and Waste surveys: creating survey plans, efficiently collecting accurate data, entering data into the Provincial online WASTE system, and submitting completed block surveys for review.
- Knowledge of forest engineering and timber development, including harvest planning and deflection line analysis.
- Valid BC driver's license and 1st Aid.

We offer a competitive wage with a comprehensive benefit package including company vehicle and other bonus incentives. If you are ready to take the next step in advancing your career, please reply in confidence by forwarding your resume and cover letter to:

wctc@cablerocket.com , attention Andy Flynn.

Only shortlist applicants will be contacted.
