

West Fraser

West Fraser is a growing, diversified wood products company with 47 facilities in western Canada and the southern United States. North America's largest lumber producer, West Fraser has been recognized as one of *Canada's 10 Best Companies to Work For*, and one of *Canada's Top 100 Employers* four times. Our investments in modern, competitive manufacturing facilities, product innovation and bioenergy are adding up to a bright future. Are you interested in working for a company that offers both a challenging work environment and a rewarding career path? **Hinton/Edson Woodlands** has an immediate opening for a highly skilled:

PLANNING FORESTER

Responsibilities include:

- Develop forest harvest plans through the detailed field assessment of timber types, landforms, watercourses and land use features
- Incorporate wildlife and other environmental values into harvest area designs
- Complete all necessary field work including cut block and road layout
- Consult stakeholders with interests in plan development areas

Skills and Qualifications required:

- Possess, or be eligible and willing to earn, a Registered Professional Forester (RPF) or Registered Professional Forest Technologist (RPFT) designation for Alberta
- Be a dynamic, career-minded individual with a strong safety focus and excellent communication and interpersonal skills.

Considered a strong asset:

- Candidates with 2-5 years of related experience
- Familiarity with Word, Excel, GPS and Land Resource Manager software
