

West Fraser

Listed on the TSX, West Fraser is a leading diversified North American forest products company. Recognized for the fifth time as one of Canada's Top 100 Employers and one of Canada's Best Employers for Recent Graduates, we continue to grow. We are looking for talented people to be part of our team. Our Quesnel Corporate Office has an opportunity for a Fibre Supply Coordinator.

FIBRE SUPPLY COORDINATOR

The Fibre Supply Coordinator works in a fast-paced and dynamic environment that stretches over all segments of West Fraser's integrated business to meet the goals and objectives related to residual fibre; including production, forecasting, administration, quality assurance, continuous improvement, freight and logistics.

Duties and Responsibilities:

- Work with internal and third party suppliers to manage forecasts, inventories, quality, and handling of all residual fibre
- Work with transportation companies to ensure the safe, efficient, consistent and reliable transportation of residual fibre
- Develop and maintain a good working knowledge of the production of chips and residual fibre during manufacturing, and implement quality control programs
- Work with the Woodlands Group to maximize the use of non-sawlog fibre
- Develop a knowledge of fibre movement, availability and requirements in BC
- Develop a good working relationship with West Fraser management at all divisions
- Develop and maintain good working relationships with third party fibre consumers, suppliers and transportation companies

The ideal candidate will possess:

- Post-secondary education in one of the following disciplines: Forestry, Wood Science, Accounting, Business or a related field
- A minimum of 3 to 5 years experience, preferably in the forestry or manufacturing environment
- Strong organizational skills that allows the candidate to succeed in a fast-paced and dynamic environment
- A detailed and proactive approach to work, and the ability to prioritize and manage multiple projects at one time
- Excellent written and oral communication skills
- Excellent analytical and problem solving skills
