

Scale Specialist

WFP is currently seeking a Scale Specialist based out of our Port McNeill Forest Operation located in Port McNeill, BC.

The Role

The Scale Specialist is responsible for collecting, importing and processing of daily scale records from multiple sites in various formats and must have the ability to communicate with multiple contacts on a daily basis. Accurate and timely submission and monitoring of scale records to HBS according to the operational Scale Site Authorizations requires a well-organized and detail-oriented individual who possesses the ability to work well with minimal supervision while under pressure and deadlines.

In addition to the daily production responsibilities, there will also be a requirement to perform daily inventory-related tasks such as processing and reconciling of Boom Cutoffs and Boom Completions; daily, weekly and monthly reporting; set-up and maintenance of the LIMS database with regards to operational logging areas; miscellaneous invoicing and contractor pay requirements.

Qualifications & Requirements

The successful candidate must be proficient in Microsoft Office OS, including Outlook, Word, Excel and Adobe. Preference will be given to applicants with experience in the logging industry and the following applications: Log Inventory & Management System (LIMS), Log Data Manager (LDM), and the Harvest Billing System (HBS).

The Rewards

Western's key strength is its dynamic people. With more than 2,000 talented and motivated employees, the company has industry leading knowledge of the fibre base, skills in product manufacturing and dedication to customer service as well as a commitment to safety, community and environmental values.

Western's valued employees are dedicated to their profession, co-workers, communities, company and customers. Their inspiring and unique skill sets and commitment to achieving excellence are reflected in Western's products, processes and culture of continuous improvement and Innovation.

Western offers a competitive salary and a comprehensive benefit package. If you believe that you have the talent that we are looking for, please submit your resume and cover letter, citing the Reference Code, in confidence to:

Facsimile: 1.866.840.9611
Email: resumes@westernforest.com
Application Deadline: Open Until Filled
Reference Code: Scale Specialist
