

Wood Haul Truck Owner/Operators

We want to partner with you! We are looking for safety minded and team oriented fully qualified log truck owner/operators. We offer competitive rates, accommodation options and financial assistance for out-of-province trucks for permitting fees.

What we look for in our Owner/Operator Partners:

- Experienced AZ truck driver competent in all aspects of log hauling with an excellent safety record.
- Safe, well-maintained tractor/trailer unit with a 4 or 5 axle log trailer that meets Ontario log truck specifications capable of hauling 40+ tonne payloads of 8' poplar on gravel logging roads
- Strong work ethic and good communication skills.

Weyerhaeuser is one of the world's foremost integrated forest products companies. We sustainably manage forests and manufacture products that make the world a better place. We're serious about safety, driven to achieve excellence, and proud of what we do.

This opportunity will partner with Weyerhaeuser's Kenora Ontario Timberlands business. Kenora is situated on beautiful Lake of the Woods in the heart of some of the most scenic wilderness in Ontario. With a population of 16,500 the city offers excellent recreational opportunities at your doorstep. Kenora is North America's premier boating destination. We are the connection to Lake of the Woods and its 14,522 islands. Through our many events and amenities we celebrate our history and together we build our future. We are stewards of the Lake, nurture its pristine environment and live the lake life!
