

Wilderness Environmental Services

Forestry/Arboriculture Graduates

Wilderness Environmental Services is based out of Sault Ste. Marie Ontario and we are recruiting an 8 person training crew starting May 1st for 12-14 weeks of intense training for our utility tree trimming (UTT) program in Alberta.

Part of your training will be in Sault Ste. Marie and other half in Alberta. Lodgings paid for during training time.

If you qualify you would then be working in Alberta on our ATCO project and the company would support you to write your UTT Ticket in April 2019.

Start at \$18/hour with lots of room for advancement.
