

**Job Title: Forest Technician**  
**Company: Yucwmenlúcwu (Caretakers of the Land) LLP**  
**Report to: Forestry Supervisor**  
**Effective Date: Spring 2018**

**Job Description:**

Yucwmenlúcwu (Caretakers of the Land) LLP is a forest management company wholly owned by the Splatsin Band, under the Splatsin Development Corporation, located in Enderby, B.C. Yucwmenlúcwu is seeking a Forest Technician to conduct field operations on our forest licenses and assist in growing the forestry related business interests in our traditional territory.

The candidate will be registered, or eligible to register as an TFT, RFT, FIT, or RPF.

The expected start date for this position is April 2018.

**Duties and Responsibilities:**

- Timber reconnaissance
- Cutblock and road development (conventional and cable)
- Site plan, harvest plan, and appraisal data collection
- Reporting and associated submissions
- Timber cruising
- Assistance with harvesting, road, and silviculture contract supervision
- Develop working relationships and promote business development
- Mentor, train, and supervise junior technicians and community members

**Requirements and Qualifications:**

- Post-secondary diploma or degree in forestry or related field;
- Current registration (or eligible to register) as an TFT, RFT, FIT, or RPF
- Three (3+) years experience
- Valid class 5 drivers license
- Physically fit to endure the rigors of full-time field work in all conditions

**Organization and Leadership:**

- Field crew oversight and deployment
- Active participation in a safe, healthy, and progressive work environment
- Ability to work independently, and implement scheduling of projects
- Proven communication skills for forest planning advice

**Preferred Skills and Attributes:**

- Previous experience working with a First Nation Organization
- General understanding of the First Nations consultation process
- Positive, diplomatic, and understanding personality

**What Yucwmenlúcwu Offers:**

We offer competitive wages (commensurate with experience), as well as an attractive employee benefits package. Enderby is a vibrant, thriving community and our location allows for a quality lifestyle with access to many world-class recreational amenities.

If you are interested in this position, please submit your resume and cover letter to [peggy.joe@splatsindc.com](mailto:peggy.joe@splatsindc.com) with the following subject line - **Splatsin Forest Technician Job Application**. The deadline for applications is March 9, 2018. Short listed candidates will be contacted via phone to answer a few screening questions, then scheduled for an in-person interview in Enderby, BC.
