

Junior/Intermediate Forest Tech Position

Zanzibar Holdings Ltd. is a company of 150 people who provide forestry services across BC. The company has been in business for over 35 years and has planted more than 350 million trees. Based in North Vancouver, Zanzibar maintains an office in 100 Mile House where it provides a full range of cutting permit development and forestry consulting services.

100 Mile House Office

Zanzibar has positions open for candidates with experience in cutting permit development and timber cruising. The successful candidate will work from our 100 Mile House office, and work sites are predominantly within driving distance from town (little to no camp work). Zanzibar is also managing, as prime recipient, the Forest Carbon Initiative (FCI) for the Cariboo Region. Offering diversified projects and opportunities within Zanzibar, we are looking for initiative driven and capable individuals who can assist in the delivery of quality products to our clients.

Forestry Duties

- Road and cutblock layout
- Riparian traverse and assessment; and assist with SP data collection
- GPS traverse boundary and road
- Collect road traverse data (experience in Level III/"tight-chain" traverse an asset)
- Office work including GPS data upload/download; use of MS Office, ArcMap, Avenza and Google Earth
- Timber Cruising assistant/chainman

Other Qualifications

- Valid Class 5 driver's licence plus drivers abstract
- Physically fit and ability to work outdoors in all conditions
- Ability to work with limited or minimal supervision, and work cooperatively in a team
- Level 1 First Aid and S100 are assets
- Minimum two references required (forestry related preferred); please provide name, company, contact info, and position with your resume
- Must reside and be eligible to work within Canada

Remuneration

This is a full time position with highly competitive wages. Preference given to candidates registered and in good standing with the ABCFP as a RPF, RFT, ATE, ATC; or eligible to register in the next two years.
