

FORESTRY OPERATIONS SUPPORT MANAGER / ASSISTANT FOREMAN

Zell Industries Inc. is a stump-to-dump forestry company that has been in business for over 35 years. We have stable, multi-year contracts in North-central and West-central Alberta, and employ over 30 employees at each worksite. We operate full camps at each site, with our Head Office located in Spruce Grove, Alberta.

We are looking for a motivated individual to contribute to the West-central location as a full-time **Forestry Operations Support Manager/Assistant Foreman**. This position will be located at our remote site approximately 1½ hours south of Edson, with a rotation schedule of 11 days on/3 days off.

Key Responsibilities:

- Meeting Safety, Environmental and Quality Standards
- Performing Employee Field Admin and Camp Supervision and Administration
- Managing Parts and Consumables
- Providing Vehicle and Equipment Administration
- Providing Field Operations Support

Qualifications:

- Strong communication skills, with ability to work in diverse environment
- Extremely well organized with ability to multi-task
- Ability to manage, motivate and discipline co-workers in a constructive manner
- Previous experience in a supervisory role of more than 10 employees
- General knowledge of heavy equipment, preferably forestry equipment to facilitate parts ordering
- Previous experience with project safety and regulatory requirements
- Previous experience in forest harvest/haul industry
- Ability to implement remote site office systems and routines
- Some familiarity with remote camp setting would be an asset

We Offer:

- Competitive financial compensation
- Company vehicle
- Benefits plan

To Apply for this Career Opportunity, please forward resume to les@zellindustries.com.

We appreciate your interest in our company! Only those candidates selected for an interview will be contacted.
