

# A&A TRADING LTD.

## GIS Technician

A&A Trading Ltd. (A&A) is currently seeking a self-motivated, detail-oriented and organized individual to fill the roll of GIS Technician based out of our Campbell River, B.C. office. As the GIS Technician, you will be fully integrated into the planning and development of our tenure management areas. This position will primarily focus on the processing and management of spatial data, the preparation of operational maps, and the creation of visual impact assessments, as required. A forestry background or experience in information technology, while not essential, are assets for this position. A&A is a privately owned coastal forestry company with offices in Vancouver and Campbell River.

## Qualifications:

- Technical training in geomatics and ESRI software (ArcGIS Pro and ArcGIS Online).
- Experience working with Visual Nature Studio, GPS data, and XML file creation.
- Minimum of 2 years of forestry mapping experience in B.C.
- Ability to provide routine IT support and assist in the implementation and training of new systems.
- Self-motivated individual possessing excellent attention to detail, communication and interpersonal skills. Must be comfortable working in a team-based, results-oriented, fast-paced environment.

Salary Range: \$60-75K annually

A&A offers a full benefits package with the opportunity for annual performance bonuses. If you are interested in joining our team, please submit your resume and references to Jeff Pollock at [jpollock@atrading.com](mailto:jpollock@atrading.com). The deadline for applications is February 7<sup>th</sup>, 2025.

We thank all candidates for their interest, however only those selected for an interview will be contacted.
