

### **Fiber Procurement Supervisor – Woodlands**

AV Group NB Inc. is an exciting and innovative company operating in the unique global market of viscose fibre. As part of the Aditya Birla Group, our role is to produce specialty pulp products (dissolving grade pulp) for the group's textile industry.

Aditya Birla Group is a US \$44.3 billion corporation; anchored by an extraordinary force of over 120,000 employees belonging to 42 nationalities, operating in 34 countries. Aditya Birla was ranked fourth globally and first in the Asia-Pacific region, in the "top companies for leaders" study. It is also ranked first in the production of viscose staple fibre textiles worldwide.

AV Group NB Inc. is currently recruiting for the following position: **Fiber Procurement Supervisor – Woodlands. Location for this position will be flexible within our operating areas.**

Reporting to the Fiber Procurement Manager, the successful candidate will be responsible for the oversight and management of the purchase of timber and private stumpage program.

#### **Responsibilities**

- Coordinate and manage the purchase and sale of timber
- Measure and appraise standing timber value
- Build and maintain relationships with private landowners and external customers
- Work closely with AV Group woodlands team in coordinating operations related to private stumpage
- Provide the leadership required to foster an environment of continuous improvement across the operation

#### **Qualifications**

- 5 Years progressive experience
- Ability to connect with customers and maintain relationships
- Proven ability to deliver results
- Previous experience with wood procurement and private purchasing considered an asset
- Promote and support all safety and environmental initiatives when performing roles and responsibilities
- Must possess excellent communication, interpersonal and negotiation skills
- Is an energetic, enthusiastic, and team oriented individual
- Strong understanding of forestry operations.

- Exceptional organization, decision making and problem solving abilities.
- Computer skills (MSOffice)
- Lean six sigma training would be considered an asset
- Bilingualism will be considered an asset
