

Pulp Division Business Excellence Lead

The Pulp Division of Aditya Birla Group is an exciting and innovative company operating in the unique global market of dissolving grade pulp and viscose staple fiber. With two pulp mills in New Brunswick, one Biorefinery in Sweden and the head office in Fredericton, we are part of a global conglomerate, the Aditya Birla Group is in the League of Fortune 500. Anchored by an extraordinary force of over 140,000 employees belonging to 100 nationalities, our role is to produce specialty pulp products (dissolving grade pulp) for the group's textile industry. Our business model is Forestry to Fashion.

We are currently recruiting for: **Pulp Division Business Excellence Lead – Permanent – Full-time**

Role Overview

This role will report directly to the Chief Operating Officer. The role involves engagement with the Senior Leadership Team, and functional leaders throughout the business, across all geographies and is critical for seamless communication, reporting and decision making.

Responsibilities

- Monitor and manage initiatives and priorities in collaboration with SLT through the Pulp Mills in Canada and Sweden, ensuring alignment with Aditya Birla's organizational goals.
- Business review of Pulp plants and forestry operations on a monthly and quarterly basis.
- Monitor daily production and quality metrics, identifying and reporting any deviations to management.
- Provide Support to COO through the preparation of comprehensive reports, presentations and essential documents.

Qualifications

- University degree in Business Administration, or an acceptable combination of education and progressively responsible experience.
- 5 years of direct work experience.
- Strong financial acumen and analytical skills required.
- Computer literacy, including effective working knowledge of MS Word, Excel, and PowerPoint.
- Professional, responsive, and positive work attitude is essential.
- High degree of resourcefulness, flexibility, and adaptability.
- Excellent teamwork and team building skills.
- Previous experience in handling confidential or sensitive information.
- Strong organizational, time management and multitasking skills.

- High level of sound and independent judgment, reasoning, and discretion.
- Previous experience in project management an asset.
- Expertise in Lean Manufacturing Techniques an asset.

Work Conditions

- Some travel will be required.
- Weekend work may be required.

Work Address: 651 Alison Blvd, Fredericton, NB, E3C 2S5

Work Salary: \$76,800

Terms of Employment: Permanent Fulltime Employment

Language of Work: English
