

## Utility Vegetation Work Planner – Vancouver Island

Arborwest Consulting Ltd. is currently seeking a motivated, career-driven individual for the following position in our Utility Vegetation Management group.

If you are interested in joining our growing team of professional planners and managers for steady, year-round work, we'd like to hear from you.

This position will be based on Vancouver Island, BC and will require some travel as well as working from home.

The job posting will remain open until filled and only those candidates considered for hire will be contacted.

### Requirements for this position:

- Minimum one year of Utility Vegetation Management (UVM) experience
- Tree Risk Assessment Qualification (TRAQ) and/or Wildlife Danger Tree Assessor (WLDT)
- ABCFP Registered Forest Technologist (RFT) or Registered Professional Forester (RPF)
- Microsoft Office (Excel) and GIS mapping experience
- Strong communication skills (verbal and written)
- Class 5 Drivers License with ability to operate four-wheel drive vehicle and other off-road vehicles
- Ability to walk/hike rugged terrain in all weather conditions
- Ability to interpret maps/work plans and navigate accordingly
- Ability to collaborate with others on project teams
- Ability to problem solve and work independently
- Ability to identify common coastal trees and growth rates
- Flexibility for overnight travel

### Considered an asset for this position:

- Certified Utility Arborist (CUA)
- ISA Certified Arborist/Utility Specialist
- Project Management Professional (PMP)
