

Senior Forest Technicians

Kamloops and Nelson, BC September 2022

The Company

Atlas Information Management is a well-established, full-phase forestry consulting company that has been providing services to government and industry for nearly 30 years. Atlas operates from offices in Kamloops and Nelson, and has field operations in the Fraser Valley, Pitt Lake, and the Cariboo. Learn more about us at www.atlas-info.com.

The Opportunity

Atlas is seeking to expand our team of experienced forestry professionals. Working across diverse and operationally challenging areas of British Columbia, we want to hire people who are team players, safety-conscious, and energetic. We recognize individuals who respect company equipment and fellow staff, value honesty, have a positive attitude, and exhibit consistency in work ethic.

The position listed requires mainly field work but effective office work skills are also necessary. While we strive to keep you at home as much as possible, some hotel based “camp” work is inherent to these positions. We offer competitive wages and benefits, along with an opportunity for permanent full-time positions. Atlas is committed to the ongoing mentorship of our employees so that they may attain their professional goals. We recognize that our collective long-term success relies on supporting our employees to maintain a healthy work-life balance.

Atlas is currently seeking qualified candidates to fill the following positions:

Senior Forest Technicians – Kamloops & Nelson

Senior forest technicians work with project managers to provide field-based leadership in developing cutblocks and roads. Previous forestry experience is required. Registration with the ABCFP is preferred.

Example duties:

- road layout;
- cutblock layout (conventional and cable);
- riparian assessments;
- appraisal information collection;
- GPS traversing;
- timber reconnaissance;
- timber cruising;
- waste and residue surveys;
- site plan data collection.

Your Qualifications

Each candidate has a unique background and skillset. Atlas will fairly consider all candidates. Preferred qualifications are listed below:

- completion of (or enrolment in) a post-secondary diploma or degree program in forestry or a related field;
- registration as a professional or trainee with the ABCFP or interest in seeking future registration;
- a strong work ethic and the ability to work with limited direct supervision;
- a team orientation and a desire to develop and learn;
- a commitment to individual and team safety;
- physically fit and capable of producing in a physically demanding outdoor environment in all weather conditions;
- valid Class 5 Driver's License;
- valid First Aid (OFA Level 1).

How to Apply

Please apply in confidence by e-mailing your resume and cover letter with the subject header "2022 Resume" to rob@atlas-info.com, attention: Rob Kitamura. The positions are open until filled with work beginning immediately. We would like to thank all applicants for their interest in the above positions, however, only those considered for an interview will be contacted.

Atlas Information Management is an equal opportunity employer. We are committed to equal employment opportunity regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, gender identity, or gender expression. Indigenous applicants are welcomed and encouraged to apply.
