FTELP Woodlands Supervisor

\$66,675.12 - \$83,659.51 annually effective Apr. 12, 2020 plus \$38.87 bi-weekly isolation allowance

This position is also posted as a Scientific Technical Officer 27 under [Requisition 68192](#)

BC Timber Sales (BCTS) manages about 20 per cent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber. Check out this [video](#) to learn more about working with BCTS.

BCTS also supports government's commitment to true, lasting reconciliation with First Nations in BC as we move toward fully adopting and implementing the United Nations Declaration on the Rights of Indigenous Peoples and the Calls to Action of the Truth and Reconciliation Commission.

Operating with significant independence the position is responsible for the day-to-day operations of the Forestry Technologist Entry Level Training Program (FTELP). In coordination and collaboration with local Business Area staff the position is also responsible for employing sound business and forest management practices in the planning, development and management of a portion of BCTS operating areas within an assigned geographic area, in order to sell incremental timber volume through auctions of Timber Sale Licenses (TSLs). The position will ensure operational activities of associated licensees are monitored for conformance to TSL conditions. In discharging the responsibilities of this position the FTELP Woodlands Supervisor will need to engage various professionals such as engineers and foresters in order to attain appropriate advice and professional direction relative to their applicable scope of practice
