Bauman Sawmill Inc. (BSI) an established hardwood sawmill is serving clients throughout southwestern, central and eastern Ontario. Located north of Kitchener/Waterloo in the village of Wallenstein, our motto of "from forest management to finished product" rounds out our engagement with the forest industry. We have on staff a procurement team which consists of: Foresters, Tree Markers and Timber Buyers. Our sawmill processes approximately 4.5 million board feet of quality hardwood lumber per year, and we are supplier to local manufacturers of wooden sleds, toboggans and numerous other wooden products marketed in North America. We are looking to hire an individual that is seeking a challenging and fulfilling industry career, and has the ability to work throughout a multitude of forestry related disciplines. The candidate would be required to relocate within reasonable proximity to our facility in Wallenstein.

Job Description for Forestry Position – Log Yard

As part of Bauman Sawmill Inc. there is a wide array of responsibilities and duties. The fulfillment of these is critical to maintaining a productive and safe workplace for Bauman Sawmill Inc.
