- QC utility poles on log landings, sort yards and other locations to ensure ANSI, CSA, and company specifications, are met
- Previewing timber stands for estimates of pole component.
- Working with pole peeling yard.
- Assisting with coordination of logistics.
- Assisting with inventory management and forecasting process.
- Assist with timber sale management.
- Assist in production yards as required.

JOB QUALIFICATIONS:

- Minimum 5+ years working experience in forestry. Preference for a scaling license and/or QC experience.
- Must have valid driver's license and associated record that meets company driving policy standards.
- Must have valid passport and ability to travel to the U.S.

WORK ENVIRONMENT/PHYSICAL DEMANDS

- Travel will be required for this position and will include overnight stays which may be in duration of more than one night during the week.
- Ability to work full days afield in a variety of climates and terrain is necessary.
- Primary territory shall be what is commonly known as the BC Coast.
 - Some travel to the Interior will be required.
- Bell Lumber & Pole Canada. is an equal opportunity employer, and we fully comply with all such applicable employment laws and regulations.

SKILLS AND COMPETENCIES:

- Able to follow WorkSafeBC guidelines and demonstrate safe work practices.
- Ability to keep accurate records and submit reports.
- Planning/organizing - prioritizes and plans work activities, as set forth by supervisors. Uses time efficiently with detailed follow through. Ability to stay on task without direct supervision.
- Communication - demonstrates excellent communication skills.
- Dealing with ambiguity – is effective in coping with change and can comfortably handle risk and uncertainty.
- Creativity – ability to create original and unique ideas and adds value in brainstorming settings. Ability to think out of the box.
- Interpersonal skills - must have the ability to use interpersonal skills to build rapport and relationships using diplomacy and tact.
- Able to meet company directives, while being diplomatic.
- Judgment – willingness to make decisions, exhibiting sound and accurate judgment. Knowing when to ask for direction from supervisors and support from teammates.
- Technical Learning – ability to learn and comprehend new technical skills and knowledge.
- Able to work with Microsoft Office suite.
