

Borden's Forestry Solutions Inc. provides complete land management for 110,000 acres (44,500 ha) of forested properties in southwestern Nova Scotia. These activities are completed in a sustainable manner, following government regulations and best management practices to maintain the long-term value of the properties.

Currently Borden's Forestry Solutions Inc. is seeking full time employees to work in Nova Scotia - a **GIS Analyst / Specialist** and a **Forest Technician**.

GIS Analyst / Specialist

- Minimum 2 years of post-secondary education in Geographical Sciences
- 3 to 5 years of experience working with spatial data
- Knowledge of 3D visualization software for analysis of lidar data
- Be familiar with use of ESRI software – specifically Arc Map and Arc Scene
- Be able to use MS Office software
- Produce digital information for field staff to use with Trimble field units
- Work with FTP sites, design and manage company web site
- Must be able to work responsibly alone in an office environment with little supervision
- Good verbal and written communication skills needed, ability to speak German an asset
- Will be based in Halifax Regional Municipality (HRM)

Forest Technician

- Minimum 2 years of post-secondary education in a forest technology school
- Entry level position, but some practical field experience is preferred
- Primarily working to supervise two company PCT employees and private PCT contractors
- Knowledge of Pre Commercial Thinning (PCT) methods, and able to do quality assessments of this work
- Familiar with Trimble Nomad or other mobile field units used to navigate in the woodland environment
- Able to use Arc Pad software, and MS Office software
- Work in conjunction with current staff to be trained for harvest block layout and road construction activities
- Will be based in southwestern Nova Scotia – most of work being near Digby, Nova Scotia
- Must have a vehicle suitable for work in the field, to be paid a mileage rate for use on the job
- Valid driving license for use in Nova Scotia, ATV training would be preferred

Application: Please apply in confidence by e-mailing your resume and cover letter in Microsoft Word format with the subject header "Job Application" by Friday May 31, 2019 addressed to bordensforestry@eastlink.ca Please include references with contact numbers. Work schedule and wages will be negotiated depending on qualifications of the applicants.
