Wage: Commensurate with education and experience (above average compensation)

Expect to be working outdoors in all types of weather. We typically work 10 days on and 4 days off but are very flexible with crew schedules. You must feel comfortable in the bush and willing to work a short distance from your partner. We supply all specialized equipment, accommodations and food when in the field. NO camp costs!

We have a culture of ensuring minimum down time. This is achieved through our safety program and the fact that all our equipment is either brand new or less than 4 years old.

You must have a clean driver's license and valid First-Aid with CPR certificate. Basic GPS knowledge and MS office skills would be an asset.

We are based in Spruce Grove and Slave Lake, Alberta. You will be responsible for your arrival and departure from either one of these locations at the beginning and end of your shift.

Bushmen Enterprises Ltd. has been fortunate enough to be awarded numerous long-term contracts with major forest products companies in Alberta. These contracts are based on us
