

POP QUIZ

When looking for a wildfire planning position, which is most important?

- A. Super fun and challenging work environment;
- B. Diverse scope and size of projects (FMPs to fuel mod);
- C. Kick-ass company culture, or
- D. All of the above.

HELLO

How the heck are you? We are super, thanks so much for asking. Cabin is expanding its Wildfire Division and we want to work with you! Are you an ecologically-minded fire bug that is into wildfire regulation and legislation? Are you into protecting communities from wildfire? Do you enjoy debris management, chipping, pile burning and such....? Well, look no further.

Cabin is the place for you!
