Cabin Resource Management Ltd: Forestry Project Manager

Do you enjoy working in a leadership role, have considerable experience working in Forestry, and love achieving goals in the great outdoors? If all those things apply to you, then we would love to hear from you!

Cabin Resources Management has built a foundation of experience and dedication to quality and innovative solutions in four main divisions: forestry, environmental operations, recreation solutions and wildfire management. We are currently looking to add a **Project Manager** to our Forestry team.

Responsibilities:

As a Project Manager you will be responsible for the following:

- Field and office supervision, road and boundary layout, data entry and quality control for all deliverables
- Training and mentoring for all team members
- Meet with clients to ensure needs are being met and goals will be achieved
- Purchase ordering, budgeting, invoicing, coordination with other project managers
- Oversee safety within the field, report incidents, delegate roles and reporting accordingly
- Assist with business development through proposal requests, qualification drafting and invitations to tender

What we are looking for:

- Strong leadership towards safety
- Valid Class 5 Drivers License and legally allowed to work in Canada
- Registered and in good standing with the ABCFP as an RPF or RFT
- More than 5 years' experience managing multi-phase timber development contracts (>100,000 m³/yr) including road and cut block layout in the interior of BC (cable layout experience an asset)
- Experience with tactical development, total chance and/or total resource planning
- Experience with ArcGIS and creation/manipulation of LIDAR products
- Minimum of three years of experience preparing Site Plans, Harvest Plans and Cutting Permits and working with Forest Stewardship Plans in the BC Interior
- Sound understanding of ground-based, cable and helicopter harvesting and road systems engineering in the Interior of BC

20A 100 KALAMALKA LAKE RD
VERNON, BC, V1T9G1
778-475-3655

- Thorough understanding of FRPA, FPPR, GAR Orders and Higher Level Plans as they pertain to operational planning
- Familiar with BC's forest legislation and regulations, CP submissions, appraisals, road designs
- Alignment with Cabin core values and Mission Statement

What we offer:

- A positive, dynamic and inclusive work environment for everyone
- Wage and biannual profit share based on experience, competency and length of service
- Boot allowance, training and professional development allowance, extended medical and dental, RRSP contributions
- Relocation Expenses
- Flexible holidays and 20 cm snow rule for winter shredding
- The chance to work with an awesome team and work in the outdoors
- An awesome signing bonus!

Cabin is committed to LGBTQ+ inclusion in the workplace by creating a diverse and inclusive work environment for everyone. Cabin is also proud to provide professional services which support the rights and title of First Nations, and be active partners in reconciliation in all our work.

Whether you are looking for a full time career or a seasonal position, apply today, or contact our HR Coordinator at nelsasser@cabinworks.ca for more information.

We thank all candidates for their interest; however, only those selected for an interview will be contacted.
