

HARVESTING SERVICES

REQUEST FOR PROPOSAL

Canadian Forest Products Ltd. is a leading integrated forest products company based in Vancouver, British Columbia. Canfor operates sawmills throughout the interior of BC, Alberta, US and Sweden.

Canfor is interested in soliciting individual proposals for the following project within our **Kootenay Operation**.

DESCRIPTION OF PROJECT:

One-year, non-replaceable **Stump to Dump Harvesting Contract** with annual volume of up to 200,000 m³, of which approximately 80,000m³ will be on steep slopes and winch assist/steep ground equipment will be required. Logs will be cut to length and delivered primarily to either Elko or Radium sawmills. Potential for subsequent or longer term contracts could develop for the right contractor.

Those who are capable of lesser volumes are also encouraged to apply as multiple contracts could be awarded.

Interested contractors must provide a prospectus with the following information:

- i. A brief description of your company including: services offered, history, number of employees, major assets and the like.
- ii. Company contact name and phone number.
- iii. At least two (2) references for whom you have completed similar work. Include name of project reference, location, size and term (length) of contract, contact's name and phone number.

Canfor will review all submissions and may reject in whole or in part, any or all proposals for any reason after taking into account factors outlined in the RFP. Contractor proposals are to be submitted by **17:00** hours on **Friday October 22, 2021**.

Company prospectuses and contractor proposals must be emailed to the following:
