

Harvesting Supervisor (Full time- Permanent)

Canadian Kraft Paper offers a work environment that promotes diversity, embraces change, and encourages continuous growth and development for every team member. We offer a workplace where everyone plays an essential role in the success of our Company and where individual efforts are acknowledged. If you thrive in a dynamic and challenging environment, we want you to be a part of our team! We are seeking a skilled professional to help take us even further as we continue to produce high performance extensible Kraft Paper for a global market.

We are a team, who works together to face challenges, develop effective strategies, and explore new opportunities. We are committed to build systems that support operations and process improvement initiatives that are mutually beneficial to our customers, our company and our community in a cost effective, environmentally responsible, and safe manner.

POSITION OVERVIEW:

Under the direction of the Harvesting Superintendent, the Harvesting Supervisor) is responsible for all operational activities within an assigned unit for the Forest Management License. The Harvesting Supervisor will assist with walking timber for future harvest, monitor equipment to build access roads, reclaim bush roads, and monitor harvest contractor environmental performance.

EDUCATION AND EXPERIENCE

- Post-Secondary Forestry Program (Forestry Degree or Forestry/Resource Management Diploma). Entry level to 3 years of related operational experience.

QUALIFICATIONS:

- The incumbent must possess technical forestry and logging related skills as well as a thorough understanding of forest policy, guidelines and regulations and other applicable forestry legislation.
- The successful applicant is required to be a self-starter with excellent organizational, problem solving, interpersonal and communication skills and must possess the ability to work with minimal supervision and changing priorities.
- The ability to pay keen attention to detail is essential and must have working knowledge of computer programs.
- The ability to work safely, alone outdoors in all weather conditions, in remote areas.
- The incumbent must be able to operate in a team environment as well as manage relationships with contractors, government agencies and other outside resources.
- Valid Class 5 Driver's License

Living in The Pas The Pas is one of the oldest and most striking settlements in Northern Manitoba. It is truly a place to call home for those that love the outdoors with an abundance of activities such as skiing, hiking, ATV and skidoo trails, camping, boating, hunting and fishing. In Manitoba, these are at their finest! Boasting one of the three true blue lakes in existence, Clearwater Lake's raw, natural beauty attracts visitors from around the world.
