

## CAPACITY FOREST MANAGEMENT LTD.

*Working with First Nations*

We are looking to hire an Intermediate/Senior Timber Cruiser for our growing team at Capacity Forest Management. Our focus is to provide full-phase tenure management services exclusively to First Nations, with the goal to increase participation and their success in the industry.

Here at Capacity, we encourage professional development and for the right candidate, opportunities can be provided for further advancement within the company. We are based out of Campbell River, B.C. but are currently working on projects in many places across BC. This position is primarily field based, and short-term travel is to be expected.

This job requires planning and preparation of clients projects that includes; creation of various cruise maps, creation of cruise plans and government submissions, collecting, downloading and compiling of field data as well as, quality control. Previous experience and related post-secondary education are preferred along with knowledge in utilizing the Arrow GPS and GIS Apps (CruiseMate, ESRI Collector or CheckMate). Desired qualities are a positive attitude, dedication to your work, attention to detail, good communication skills and the ability to work long hours. We are looking for a full-time, long-term employee.

#### Additional Assets:

- 2+ years of experience in the industry
- ATE or ATC designation
- Registered or eligible for registration with the ABCFP
- Occupational First Aid Certification, Level 1

Some benefits of working at Capacity are competitive wages, an extended health plan, accommodations, per diems, and the chance to work with a friendly, hard-working team in some of the most beautiful places in BC!

If this posting is still up, we have positions open. Applications are welcome from anyone in Canada. Please email us at [info@capfor.ca](mailto:info@capfor.ca) with a resume and cover letter. We would like to thank all applicants for their interest in this position, however only those considered for an interview will be contacted.

We look forward to hearing from you!
