

CAPACITY FOREST MANAGEMENT LTD.
Working with First Nations

Senior and Intermediate Field Engineers – Campbell River, BC

THE FIRM:

Capacity Forest Management Ltd. (Capfor) is a Campbell River based forest management company that prides itself specializing in the management of First Nations Forest Tenures. Capfor has been established in Campbell River since 2003 and provides a safe, enjoyable, diversified, and flexible work experience while promoting growth for all employees. Capfor enjoys helping local organizations around Campbell River and allowing employees to experience those outings. We pride ourselves on providing a safe and comfortable workplace not just for employees but for their families too. The Capfor family has a wide range of employees, from new to over 40 years of experience to allow each other to grow in forestry knowledge. We are different from other consulting companies as we offer full phase forest tenure management and professional forestry services including Negotiating agreements, Operational planning, Engineering, Permitting, Mapping/GIS, Lidar analysis, Visual Impact Assessments, Timber Supply Reviews, Logging supervision, Contract negotiations, Planting, Stand tending through to free to grow, and more.

QUALIFICATIONS:

Capacity Forest Management Ltd. is seeking individuals preferably registered or eligible for registration with the ABCFP as a Registered Forest Technologist (RFT) or a Registered Professional Forester (RPF).

SENIOR FIELD ENGINEER - A minimum of 5 year's experience in engineering is preferred. As a successful candidate for this position, you will possess effective communication skills as well as a proven record in all aspects of lay-out, permit applications, budgeting, and supervisory skills.

INTERMEDIATE FIELD ENGINEER - A minimum of 2+ year's experience is preferred. As a successful candidate for this position, you will possess effective communication skills as well as a proven record in all aspects of lay-out, office work and supervisory skills.

We are always looking for potential Junior Field Engineers with less than 2 years of experience or anyone interested in joining forestry.

The area of work includes the Campbell River area, with travel to other areas throughout Coastal BC, the Southern Okanagan, and Northern Interior. Shift work is involved. Capacity offers a competitive salary and excellent benefits package as well as other features.

APPLICATIONS:

Please apply for either position by e-mailing your resume and cover letter to info@capfor.ca with Senior Field Engineer Resume, Intermediate Field Engineer Resume or Junior Engineer Resume as the subject line.

Applications will be accepted until positions are filled.

Capacity Forest Management Ltd. thanks all those who apply for the position; however, only those selected for interviews will be contacted. Applicants with lesser experience may be offered a different position. **Only Canadian residents need apply.**
