

Forestry Summer Intern – Campbell River, BC

Explore a Career at Capacity Forest Management Ltd.

We're excited to announce that we're looking for 2025 Forestry Summer Students to join our team! This is a fantastic entry-level opportunity where interns will have the chance to gain hands-on experience across all areas of forest tenure management. We're hiring for both silviculture and engineering roles.

Capacity Forest Management Ltd. is a Campbell River-based company that specializes in managing First Nations Forest Tenures.

These positions are temporary full-time roles with tentative start date **beginning May 2025 and ending late August 2025.**

Why Capacity?

- Opportunity to observe forestry practices across the province, with operations in North Vancouver Island, Central Coast, Southern Okanagan, and Northern Interior
- Gain knowledge in various aspects of forest management;
- Competitive wages; and
- Invest in your future by working alongside respected forestry professionals.

Required Skills and Experience

- 1+ year(s) of study and currently enrolled in a forestry-related degree or diploma program;
- Valid BC Class 5 Driver's License or equivalent
- Proficient in using a compass and GPS applications (e.g., Avenza)
- Ability to safely navigate and work in remote Coastal BC terrain under various weather conditions;
- Self-motivated with the ability to work independently;
- Strong organizational and data management skills;
- Shift and camp work is required

Compensation

The hourly rate for this position ranges from \$22.00 to \$25.00. Individual compensation is commensurate with skill, relevant experience, and education.

Applications

Please apply for the position by e-mailing your resume and cover letter to info@capfor.ca with 2025 Summer Intern Resume as the subject line.

Applications will be accepted until positions are filled.

Capacity Forest Management Ltd. thanks all those who apply for the position; however, only those selected for interviews will be contacted. **Only Canadian residents need apply.**

About CapFor

Capacity Forest Management Ltd. (Capfor) is a forest management company based in Campbell River, specializing in the management of First Nations Forest Tenures across BC. Established in 2003, we have built long-term relationships with many communities, some of which have been with us since the beginning. At Capfor, we offer a safe, enjoyable, and flexible work environment that promotes growth and development for all employees. We take pride in sponsoring local organizations and events in Campbell River and the many communities we serve. Our diverse team includes employees from all phases of forest management—ranging from new and young workers to staff with over 40 years of experience—creating a strong platform for professional growth.

Our professional forestry services include advising on government-to-government agreements (Treaty, Reconciliation, Foundation), operational planning, engineering, permitting, mapping/GIS, LiDAR analysis, Visual Impact Assessments, Timber Supply Reviews, logging supervision, contract negotiations, planting, and stand tending through to free-to-grow.
