

CAPACITY FOREST MANAGEMENT LTD.
Working with First Nations

Forestry Summer Student – Campbell River, BC

We are currently recruiting for **Forestry Summer Students** to join our team. This posting is an entry level position. Training will be provided, as required, for the right applicant. We are looking to for those interested in working primarily in the field of silviculture. The majority of work will be silviculture surveys with additional opportunities to work in other phases of forest management.

Our operations are located all over British Columbia including North Island, the Central Coast, the southern Okanagan, and northern interior. This position will provide opportunity to see forestry practices across the province. Shift and camp work is a requirement for this position. Capacity offers a competitive salary and excellent benefits package based on experience as well as a flexible family friendly atmosphere.

WHO WE ARE:

Capacity Forest Management Ltd. is a Campbell River based forest management company specializing in the management of First Nations Forest Tenures. We are different from most consulting companies as we offer full phase forest tenure management and professional forestry services including: negotiating agreements, operational planning, engineering, permitting, mapping/GIS, logging supervision, planting, surveying, and other silviculture assessments through to attainment of free growing.

QUALIFICATIONS:

Capacity Forest Management Ltd. is seeking summer students currently enrolled in a forestry program at the technical college and/or university level and eventually eligible for registration with the ABCFP as a Registered Forest Technologist (RFT) or a Registered Professional Forester (RPF).

A minimum of 1 to 2 years of summer work experience is preferred. As a successful candidate for this position, you will possess strong communication skills, and be able to work both independently and as a team member in the field and office.

Field experience completing silviculture surveys, tree planting supervision and associated activities is an asset.

Well organized and good data management skills

Experience working with programs including Avenza Maps, Google Earth, and Microsoft Office.

APPLICATIONS:

Please apply for this position by e-mailing your resume and cover letter to info@capfor.ca with **Forestry Summer Student Application** as the subject line.

Applications will be accepted until the position is filled.

Capacity Forest Management Ltd. thanks all those who apply for the position; however, only those selected for interviews will be contacted. **Only Canadian residents need apply.**
