

CAPACITY FOREST MANAGEMENT LTD.

Working with First Nations

Senior and Intermediate Forest Engineer– Burns Lake/Smithers, BC

THE FIRM:

Capacity Forest Management Ltd. (Capfor) is a continually growing Campbell River based forest management company that prides itself specializing in the management of First Nations Forest Tenures across BC. Capfor was established in 2003, and some of the communities we continue to work in have been with us since that time.

The Capfor family consists of a wide range of employees in all phases of forest management, from new and young workers to staff with over 40 years of experience. This provides a growth platform for all employees. Our many professional forestry services include; advising on forestry related gov-to-gov agreements (Treaty, Reconciliation, Foundation), operational planning, engineering, permitting, mapping/GIS, LiDAR analysis, Visual Impact Assessments, Timber Supply Reviews and Analysis, logging supervision, contract negotiations, planting, and stand tending through to free to grow.

If you are looking to be an integral part of our Burns Lake/Smithers Forest Engineering team, have strong communication skills and good work ethic we want to hear from you. We pride ourselves on being a family-oriented, fun and respectful company dedicated to ensuring the safety of our staff and providing a flexible work environment focused on promoting growth and development for all employees.

QUALIFICATIONS:

Capacity Forest Management Ltd. is seeking individuals preferably registered or eligible for registration with the ABCFP as a Registered Forest Technologist (RFT) or a Registered Professional Forester (RPF).

SENIOR FOREST ENGINEER- +5 years' experience in engineering is preferred. As a successful candidate for this position, you will possess effective communication skills as well as a proven record in all aspects of lay-out & planning, permit applications, appraisals, budgeting, and supervisory skills.

INTERMEDIATE FOREST ENGINEER- +2 years' experience is preferred. As a successful candidate for this position, you will possess effective communication skills as well as a proven record in all aspects of lay-out, office work and supervisory skills.

APPLICATIONS:

Please apply for either position by e-mailing your resume and cover letter to info@capfor.ca with Senior Field Engineer Resume, Intermediate Field Engineer Resume or Junior Engineer Resume as the subject line.

Applications will be accepted until positions are filled.

Capacity Forest Management Ltd. thanks all those who apply for the position; however, only those selected for interviews will be contacted. Applicants with lesser experience may be offered a different position. **Only Canadian residents need apply.**
