

WOODLANDS SUPERINTENDENT – PRINCE ALBERT, SK

THE OPPORTUNITY:

Located at the heart of Saskatchewan's forest industry lies Carrier Forest Products Ltd. We are a family-owned company with a corporate culture built on hard work, ingenuity and collaboration. At the forefront of innovation, we are pioneering technological advances in one of Canada's most stable and grounded industries.

THE QUALIFICATIONS:

The successful candidate will be a self-starter with excellent organization, computer, communication, and team skills. The candidate must have proven skills related to all facets of forestry operations and field work. Field experience is a definite asset.

The following qualifications are preferred:

- A minimum of 5 years related experience
- Proficient in current technology, GIS knowledge is an asset
- Registered, or eligible for registration, with the Association of Saskatchewan Forest Professionals
- Knowledgeable in current forest legislation
- Valid driver's license with a clean abstract

THE DUTIES:

Based out of Prince Albert, SK and under the direct supervision of the Woodlands Manager, the Woodlands Superintendent is responsible for the supervision of the harvesting and field operations in Saskatchewan.

- Manage contractor safety, performance, and environmental leadership in the operations
- Plans and execute annual road, harvest and post-harvest programs
- Implements Log Quality program for Contractors
- Professional interaction with Government personnel and industry partners
- Other duties relation to operations

Interested candidates may submit a cover letter and resume to resumes@carrierforestproducts.ca or fax 250 563-9371. We thank all those who apply, but only qualified applicants will be contacted. Salary is commensurate with experience.
