

Chartwell Consultants Ltd. is a consulting firm specializing in services and solutions for the resource sector. With closely integrated Forestry and GIS departments, Chartwell has a close-knit team, a diverse client base and a reputation for outstanding quality and service. Our Head Office is located in North Vancouver, with additional offices in Chilliwack, Gibsons and Squamish.

FORESTRY POSITIONS

Join our team! Chartwell Consultants Ltd. is looking for outstanding individuals to join our team of Forest Professionals. Our mission is to provide the highest calibre of service to meet the needs of our clients, and we are only as good as the people on our team. We are looking for up to three (3) junior to mid-level forestry workers who are motivated, positive and dependable. The positions will be based out of our North Vancouver or Chilliwack offices. Four-month or eight-month work terms are available with full-time positions possible for the right individual.

Job Description:

Applicants should expect primarily field-based duties and will be involved in Coastal and Interior forest engineering operations. Successful candidates will join our team of over 17 ABCFP / APEG accredited members.

Responsibilities for this position will include, but are not limited to:

- Field Engineering / Layout of Cutblocks and Roads
- Preparation of Engineering Reports, Professional Assessments and Road Designs
- Road Inspection and Deactivation Prescriptions
- Preparation of Applicable Documents for Cutting and Road Permit Applications
- Timber Cruising and Riparian and Stream Classifications

Preferred Qualifications and Requirements:

- Registered or eligible for registration with the ABCFP as an RFT, TFT or FIT
- Minimum one-year field experience
- Travel within the Province is a requirement (up to 10 days at a time)
- Experience in forestry engineering of cutblocks and roads for conventional and helicopter harvesting systems
- Strong organizational skills and a working knowledge of applicable computer software (Microsoft Office, RoadEng, iPad, etc.)
- Physically fit and up to the challenge of working in our coastal forests

What We Offer:

- A diverse range of work with a multitude of clients
- A fun yet professional and safety-oriented work environment
- A competitive salary commensurate with experience
- A comprehensive benefit package along with a bonus program and yearly equipment allowance
- Detailed on-the-job training and mentorship programs
- Opportunities to grow and build your career in an environment that recognises talent
