

Chartwell Consultants Ltd. is a consulting firm specializing in services and solutions for the resource sector. With closely integrated Forestry and GIS departments, Chartwell has a diverse client base and a reputation for quality and service. Our Head Office is located in North Vancouver, with additional offices in Chilliwack, Gibsons, and Squamish.

Forestry Summer Student Positions

Join our team! Chartwell Consultants Ltd. is looking to fill at least 2 positions for the 2021 summer field season. These positions will be based out of our Chilliwack Office. Applicants should expect a heavy field component in their duties and must be willing to travel within the Province for up to 10 days at a time. Successful candidates will get hands-on experience in both Coastal and Interior forest engineering operations and would be under the supervision of one of our 18 ABCFP or APEG accredited members. Work terms of 4 or 8 months are available.

Primary Responsibilities:

- Field engineering/ layout of cutblocks and roads
- Preparation of project deliverable documents for cutting and road permit applications
- Assisting with road inspection and deactivation prescriptions
- Powerline and Independent Power Producer (IPP) project assistance

Preferred Qualifications and Requirements:

- Enrolled in, or have graduated from a forestry-related post-secondary program, with an interest in pursuing a career in the forest industry
- Preference will be given to those with field experience, however this is not a prerequisite
- Experience in forestry engineering of cutblocks and roads for conventional and helicopter harvesting systems would be considered an asset
- Ability to identify trees and vegetation and understand basic orienteering
- Strong organizational skills and a working knowledge of applicable computer software (Microsoft Office, RoadEng, iPad, etc.)
- Physically fit and up to the challenge of working in our coastal forests
- Valid Driver's Licence

What We Offer:

- A diverse range of work with a multitude of clients
- A fun yet professional and safety-oriented work environment
- Detailed on-the-job training and mentorship programs with our many professionals
- Opportunities to grow and build your career in a team environment that recognizes talent
- A competitive wage, paid training and travel, and meal per diems
