Applicants should expect primarily field-based duties and will be involved in Coastal and Interior vegetation management activities and would be under the supervision of one of our 29 ABCFP or APEG accredited members. Work terms of 4 or 8 months are available.

What We Offer:

- A diverse range of work with a multitude of clients
- A fun and professional safety-first work environment
- Detailed on-the-job training and mentorship programs with our many professionals
- Opportunities to grow and build your career in a team environment that recognizes talent
- A competitive wage, paid training and travel, and meal per diems

Job Description:

- Utility Right-of-Way Vegetation Layout, Patrolling and Inspections
- Data collection using ArcGIS Field Maps and Survey123
- Office-based activities such as Vegetation Management package preparation and Patrol Reviews
- Communication with landowners and contractors

**Qualifications:**

- Enrolled in, or have graduated from a forestry-related post-secondary program, with an interest in pursuing a career in the forest industry
- Preference will be given to those with field experience, however this is not a prerequisite
- Ability to identify tree species and vegetation
- Basic orienteering skills
- Physically fit and able to work outdoors. Willing to work in diverse and demanding conditions
- Valid Class 5 Driver's Licence

Application:

If you are interested in working with us, please forward your resume with a cover letter to forestryteam@crgl.ca. Applications will be accepted until the positions are filled.

We look forward to hearing from you!

Due to client requirements, applicants must be fully vaccinated against COVID-19. We thank everyone for their interest; however, only those selected for an interview will be contacted.
