

Chartwell Resource Group Ltd. is an established consulting firm that provides innovative solutions and outstanding quality services to solve challenging issues in the natural resource sector. Serving a diverse client base, our highly skilled and collaborative team of Engineers, Foresters, Project Managers, GIS Specialists, and Biologists strive to deliver solutions that are operationally practical and environmentally responsible.

Overview:

Chartwell Resource Group Ltd. is looking for a full-time VEGETATION TECHNICIAN to join our team. The position is based out of our Chilliwack office. The primary responsibility of this position will be to administer and deliver vegetation management deliverables to our clients. Time and responsibilities may be supplemented with other forestry related work with consideration of the education and experience of the successful applicant.

What We Offer:

- A diverse range of work with a multitude of clients
- A fun and professional safety-first work environment
- Detailed on-the-job training and mentorship programs with our many professionals
- Opportunities to grow and build your career in a team environment that recognizes talent
- A competitive wage, including a comprehensive benefits package along with a bonus program

Job Description:

Applicants should expect primarily field-based duties with a minor component of office work. Vegetation management activities are located throughout the Lower Mainland and may require occasional shift work of 5-10 days. Successful candidates will join our team of ABCFP/APEG/ISA/CAB accredited staff.

- Utility Right-of-Way Vegetation Layout, Patrolling and Inspections
- Data collection using ArcGIS Field Maps and Survey123
- Office-based activities such as Vegetation Management package preparation and Patrol Reviews
- Communication with landowners and contractors

Qualifications:

- Graduated from a forestry or arboriculture related post-secondary program, with an interest in pursuing a career in the forest industry
- Relevant field experience (silviculture, forestry, arboriculture)
- Ability to identify tree species and vegetation

- Basic orienteering skills
- Physically fit and able to work outdoors. Willing to work in diverse and demanding conditions
- Valid Class 5 Driver's Licence; experience driving 4x4 trucks and ATVs

Application:

If you are interested in working with us, please forward your resume with a cover letter to forestryteam@crgl.ca. Applications will be accepted until the position is filled.

We look forward to hearing from you!

We thank everyone for their interest; however, only those selected for an interview will be contacted.
