

Coastal Natural Resource Management Ltd. is a growing natural resource firm with offices in **North Vancouver and Prince George, BC** that offers the opportunity to work in forestry throughout the province while living in urban centres. Coastal provides professional services to various clients and specializes in forest development and project management. If you are interested in a quality work-life balance with the opportunity to live in the city while working in the forest, then Coastal can provide you with a great opportunity.

Coastal is a dynamic and rapidly growing company that is looking for people to join our growing team as a **Silviculture Forest Technicians** preferably in our Prince George office but we will accept applications for our Vancouver office. The work is local to Prince George.

The work will be in the field in a team atmosphere completing all elements of forestry silviculture projects.

Successful applicants will be able to demonstrate they meet the following criteria:

- Hold a valid BC driver's licence
- Physically fit and able to withstand the rigors of working in an outdoor environment
- Past experience of completing silviculture surveys.
- Interested in travel throughout BC
- Well organized with good communication skills
- A working understanding of GPS and SNAP technologies
- Preference will be given to those who are eligible for enrolment with the ABCFP.

Coastal may be interested in sub-contracting to the right applicant.

The positions will commence as soon as the applicant is available and compensation packages will be commensurate with experience. Please visit our website at www.coastalnr.ca and apply in confidence by forwarding your resume and cover letter to nmiller@coastalnr.ca.

These positions are only open to those eligible to work in Canada. We would like to thank all applicants for their interest in the position, however, only those applicants considered for an interview will be contacted.
