

**Coastal Natural Resource Management Ltd.** is a growing natural resource firm with offices in **North Vancouver, and Prince George BC** that offers the opportunity to work in forestry throughout the province while living in urban centres. Coastal provides professional services to various clients and specializes in forest development, silviculture and project management. If you are interested in a quality work-life balance with the opportunity to live in the city while working in the forest, then Coastal can provide you with a great opportunity.

Coastal is a dynamic and rapidly growing company that is looking for a manager to join our team as **Northern Area Manager**. The manager will be responsible for leading natural resource projects with a mixture of field and office work. Supervising staff and liaison with clients.

This is an opportunity for a person with experience to jump into a leadership role or **for a person with less experience to grow into the role**. If you want to expand your experience, work with active and motivated people, help grow a company, and further your career, then Coastal is a great fit for you.

Successful applicants will be able to demonstrate they meet the following criteria:

- The desire to expand their career opportunities in a manager position,
- Register or able to register as an RFP or registered as a RFT.
- Hold a valid BC driver's licence
- Physically fit and able to withstand the rigors of working in an outdoor environment,
- Experience in forest development work in central and northern BC.
- Well organized with good communication skills
- Experience with interior timber cruising is an asset,
- Preference will be given to those who are eligible for enrolment with the ABCFP.

The positions will commence as soon as the applicant is available and compensation packages will be commensurate with experience. Compensation will include use of a company truck in town on off days, comprehensive benefit package, large performance bonuses, and higher than industry standard pay ranging between \$28-\$35/hour.
