

## **Building a premier next generation forest company.**

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

### **FORESTRY SUPERVISOR**

#### **CONSIDER THE LIFESTYLE**

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, nearby ski hill, and recreational centre with pool and arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and health facilities on your doorstep.

#### **Investing in our People - Building Our Team**

In this role you will be a member of the team responsible for timber development activities, including strategic and operational planning, managing consultants engaged in timber development activities, timber pricing, certifications, and the acquisition of the permits required to support our sawmill and power plant with logs and fibre from our 932,000 m3/year forest license; while providing safety and environmental leadership to our timber development consultants.

#### **Here's What We Offer:**

- Excellent financial compensation and health benefit package, including an annual health spending allowance.
- A wide range of career and professional development and training opportunities.
- Flexible work hours.
- A future which is supported by a robust timber supply.
- The chance to live and work in an active and growing community offering the best aspects of small town life with a wide range of amenities, including superb outdoor recreational opportunities of all types, a recreational center (pool and arena), extensive all season trail systems, golf course, hospital, and nearby ski hill (Powder King); all within a 2 hour drive of the city of Prince George, the University of Northern BC, and an international airport.

#### **Here's What We're Looking For:**

- University Degree or Technical Diploma in Forestry or Natural Resource Management from a recognized forestry school, and be an RPF, RFT
- Minimum 5 years' experience across a spectrum of forestry work including cruising, planning, harvesting and silviculture
- Strong work ethic and love of the outdoors
- Excellent leadership and communication skills, project management skills, and an ability to work within a team environment
- Knowledge of applicable BC legislation and policies.
- Self-motivated team player with ability to communicate verbally and in writing
- Strong computer skills and aptitude for forestry-based technologies

We are building our team at Conifex. We value honesty, hard work, accountability, respect, trust, and safety. Just as we are investing in our mills we are investing in our people. Conifex offers respectable training as well as development opportunities.

Applicants will be accepted until the position has been successfully filled.

**To apply please visit our website [www.conifex.com](http://www.conifex.com) and apply through the “Opportunities” tab.**
