

Forestry Supervisor

(Mackenzie, BC)

Building a premier next generation forest company.

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

CONSIDER THE LIFESTYLE

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, world class skiing at Powder King only 45 minutes away, and the Mackenzie ski hill right in town! Mackenzie offers a recreational centre with pool and ice skating arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and doctors and a hospital right on your doorstep.

Investing in our People - Building Our Team

In this role you will be a member of the team responsible for timber development activities, including strategic and operational planning, multiphase contract supervision, appraisals, certifications, while providing safety and environmental leadership.

Responsibilities:

- Ensure the highest level of workplace safety through implementation of systems, audits, and practices
- Supervise direct reporting staff to create a highly functional aligned team
- Remaining compliant with all applicable Occupational Health and Safety Requirements, existing legislation and Sustainable Forest Management requirements
- Manage contractor safety, performance, and environmental leadership
- Responsible for information and data integrity related to planning and permitting
- Effective implementation of budgets and cost control
- Assist in the implementation of stumpage savings initiatives including cut block blending

- Responsible for maximizing the benefits accrued through submission of accurate Appraisals and ECEs
- Responsible for STI and harvest profile management
- Responsible for the accurate completion and submission of all operational permits: CP/RP/SUP
- Supervise and/or participate in in-house fieldwork (cruising, layout, stream class, ecology)
- Supervise and implement Assessment and Multi-Phase contracts (layout, cruising, ecology, archaeology, streams)
- Liaise with Harvesting staff, government and external groups

Here's What We're Looking For:

- University Degree or Technical Diploma in Forestry or a related field, and be an RPF, RFT, or eligible to enroll with the Forest Professionals of British Columbia
- Minimum 2 years' experience across a spectrum of forestry work including cruising, planning, harvesting and silviculture
- Strong work ethic and love of the outdoors
- Excellent leadership and communication skills, project management skills, and an ability to work within a team environment
- Knowledge of applicable BC legislation and policies.
- Self-motivated team player with ability to communicate verbally and in writing
- Strong computer skills and aptitude for forestry-based technologies

Here's What We Offer:

- The salary range for this position is between \$75,000-\$90,000.
- Comprehensive health benefit package, including an annual health spending allowance.
- Excellent Pension
- A wide range of career and professional development and training opportunities.
- Flexible work hours.
- A future which is supported by a robust timber supply.
- The chance to live and work in an active and growing community offering the best aspects of small town life with a wide range of amenities, including superb outdoor recreational opportunities of all types, a recreational center (pool and arena), extensive all season trail systems, golf course, hospital, and nearby ski hill (Powder King); all within a 2 hour drive of the city of Prince George, the University of Northern BC, and an international airport.

We are building our team at Conifex. We value honesty, hard work, accountability, respect, trust, and safety. Just as we are investing in our mills we are investing in our people. Conifex offers respectable training as well as development opportunities.

Applicants will be accepted until the position has been successfully filled.

To apply please email opportunities@conifex.com directly or visit our website www.conifex.com and apply through the “Opportunities” tab.
