

Building a premier next generation forest company.

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

PLANNING SUPERINTENDENT

CONSIDER THE LIFESTYLE

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, nearby ski hill, and recreational centre with pool and arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and health facilities on your doorstep.

Investing in our People - Building Our Team

DUTIES:

- Responsible for implementing Environmental and Strategic Plans.
- Supervise direct reporting staff to create a highly functional aligned team
- Consistency in program establishment and application to reduce duplication and delivery costs
- Gain leverage in contract negotiations with vendors and suppliers by offering larger packages of work, more certainty and volume of work
- Achievement of standardized business processes resulting in less onerous training requirements for temp and fulltime staff, allowing for shared best practices and bolstering program credibility with outside agencies and auditors
- Remaining compliant with all applicable existing legislation and Sustainable Forest Management requirements
- Responsible for the coordinated compliance with and implementation of 3rd party certifications (SFI, PEFC, CBFA, (including migratory bird mgt.)) and EMS
- Responsible for developing and managing Forest Stewardship Plans – content and implementation training for permitting and harvesting staff
- First Nations and Stakeholder operational relationships and referrals
- Liaise with external industry groups: Landscape Objectives Working Group (LOWG), FSP working group, and spruce beetle working group
- Liaise with Permitting staff and Government
- Development of standard KPI reporting
- Budgeting and cost control
- Implementation of GAR Orders: Fisheries Sensitive Watersheds, Wildlife Habitat Areas, Species At Risk, and Landscape Biodiversity (LOWG)
- Tenure/Partition management and Cut Control management
- Landscape-level planning (chart areas, planning cells, total chance planning)
- Overall accountability for GIS (Information management systems), quality, consistency, and continuous improvement
- Supervision and development of team members (includes GIS Analysts).
- May need to spend time in logging camps and work a diverse range of hours
- This position may require the ability to undertake long workweeks and fieldwork under unpredictable environmental conditions.

QUALIFICATIONS AND REQUIREMENTS:

- University Degree or Technical Diploma in Forestry or Natural Resource Management. RPF, RFT
- Minimum 5 years' experience across a spectrum of forestry work including cruising, planning, harvesting and silviculture would be considered an asset
- Registered as a forestry professional with the Association of British Columbia Forest Professionals
- Demonstrates a sense of urgency and ability to meet deadlines
- Strong work ethic and love of the outdoors
- Excellent leadership and communication skills, project management skills, and an ability to work within a team environment
- Ability to build partnerships with First Nations and stakeholders, and foster trust
- Knowledge of applicable BC legislation and policies
- Self-motivated team player with ability to communicate verbally and in writing
- Strong computer skills and aptitude for forestry-based technologies

We are building our team at Conifex. We value honesty, hard work, accountability, respect, trust, and safety. Just as we are investing in our mills we are investing in our people. Conifex offers respectable training as well as development opportunities.

Applicants will be accepted until the position has been successfully filled.

To apply please visit our website www.conifex.com and apply through the “Opportunities” tab.
