

Consus Management Ltd. is currently seeking forest professionals, RPF, RFT or RPBio for immediate employment.

Consus Management Ltd. is based out of Williams Lake and specializes in the implementation and management of various Silviculture programs, Timber Development Activities, Environmental Monitoring and BC Hydro Contracts. Consus has been established since 2009 and has over 30 years of experience combined in the supervisory staff.

The location for this position can be negotiable with potential as a remote position working from home or as a field office.

Duties for the position are to provide professional support for Multi-phase timber development, silviculture program management and implementation, government funding administration and various field duties as workloads and priorities dictate.

Forest Professional Requirements:

Minimum 5 years' experience.

Registered as RPF or RFT with the ABCFP.

Possess a valid BC Driver's License.

Self-Motivated and able to work unsupervised.

Road and cut-block Planning and layout experience.

Experience in higher level area-based Planning.

Working knowledge of the BC Appraisal System.

Experience with LiDAR an asset.

Experience with full cutting permit submission and Reporting, RESULTS, ECAS

Interior Timber Cruising experience.

SP Writing and SP data collection.

Aptitude for working with and developing Forest Stewardship plans.

Well versed in applicable Legislation and Regulations.

Silviculture Survey Accreditation asset but not required.

Familiar with ArcGIS
