

Crowhurst Forest Management Group

**Crowhurst Forest Management Group (CFMG)** is a forestry consulting firm based out of **Campbell River, BC**. CFMG specializes in conventional and helicopter harvest layout, timber valuation, harvest cost assessments and timber cruising. Our clients include various stakeholders and multiple divisions offering a diverse array of experience. The value of CFMG lies within our strong team of individuals who provide a high-quality product for our clients while maintaining a positive work environment.

### The Opportunity

Crowhurst Forest Management Group is looking for an experienced Timber Cruiser to join our Cruising Department based out of our Campbell River office. The successful candidate will work along side some of the best and hardest working Timber Cruisers on the coast. We are seeking an individual who is experienced, accredited, hard-working, and self motivated. A strong ability to work well with others will be a major asset in this role.

### Qualifications

- 2+ years of coastal Cruising experience.
- Strong understanding of the current Timber Cruising Manual and Call Grading/Net Factor Manual.
- Good physical condition with a drive to work hard.
- Ability to work independently.
- ATC, ATE, RPF or RFT accreditation is an asset but not required.
- Knowledge of CruiseMate is an asset.
- Valid driver's license

Wages are competitive but will be determined based on the individual's ability, skills, experience, and attitude.
