Forest Professionals and Field Technologists

Terrace, British Columbia

Cypress Forest Consultants Ltd. is a medium sized natural resource consulting firm based in Northwestern B.C. (<http://www.visitterrace.com/>). Since 1994 we have been providing forestry related consulting services to an established clientele including First Nations tenure holders, Major Licencees, the Terrace Community Forest, BC Hydro, Energy Companies, Woodlot Owners and other resource related companies.

Cypress' team of forest professionals and experienced technical staff work in conjunction with their clients and qualified professional subcontractors to complete projects of varying sizes and scopes in a variety of disciplines.

We are seeking to hire persons for permanent full-time positions, including crew leaders/project managers and field technologists. Summer student applications are also welcome.

Job Description: Depending on experience, complete a wide variety of tasks including:

- Road and cutblock layout and traversing
- Timber cruising (coastal and interior)
- GPS traversing and mapping
- Deflection lines and analysis
- Waste and Residue Surveys
- Coastal and Interior appraisals
- Site Plan data collection and reporting
- Timber recce, mapping and reporting
- Road building and harvesting supervision
- RoadEng and ArcGIS mapping
- Project and crew management

Qualifications:

- Registered or be eligible for registration with the Association of British Columbia Forest Professionals
- Valid Class 5 BC Driver's license (or equivalent)
- Demonstrated work ethic
- Be physically fit, have a positive attitude and have a good work ethic

Wages are competitive and based on experience and performance. Only those applicants chosen for an interview will be contacted. Please forward resumé with work references to Jason Bennett, RPF (email: jbennett@cypressfc.ca).
