

Seeking Intermediate Forest Professionals

Williams Lake / 100 Mile House, B.C.

DWB Consulting Services Ltd. (“DWB”) is an integrated consulting firm specializing in offering clients engineering, environmental, and forestry services. DWB employs diversified professional and technical staff with a wide range of experience. Our team approach and quality service has led to many long-term direct award relationships with clients in the forest, mining, oil and gas, and transportation sectors. DWB is seeking applications for intermediate forest professionals proficient in pre harvest timber development work to fill two positions in our Lac La Hache office.

The position would be primarily office based with some field work required. Candidates should have a minimum of 3 years of related experience, and must be able to thrive in a fast paced work environment. Current registration or eligible for registration with the Association of BC Forest Professionals is preferred.

Candidates should be familiar with various forest legislation, forest stewardship plans, cutting permits, road permits, and site plans. Previous field experience in pre-harvest timber development is an asset. In addition, the candidate should have strong organizational and communication skills and be able to effectively work with DWB’s clients.

The position is full time, available immediately, and will be based out of DWB’s Lac La Hache office, located in the Cariboo, and would be ideal for candidates residing in Williams Lake, 100 Mile House, and surrounding areas. Salary to be commensurate with experience and industry standards. DWB provides a benefits package and other incentives for employees, including annual bonus, professional development, and other company sponsored events.
